HARIOM ENTERPRISES

01 / ABOUT HARIOM

Experience. Attention. A practical supply partner.

Hariom Enterprises is an iron and steel supplier based in Transport Nagar, Raipur, Chhattisgarh. We support contractors, fabricators, traders and industrial buyers with domestic supply and export enquiries.

18	800+	Pan India
YEARS OF EXPERIENCE	SATISFIED CUSTOMERS	SUPPLY ENQUIRIES

THE WAY WE WORK

01 Understand the requirement

We start with your application, grade, dimensions, quantity and delivery location.

02 Coordinate the details

Discuss material availability, documentation, pricing and transport arrangements before ordering.

03 Keep communication direct

Connect with sales, procurement and after-sales support through one business contact.

Business highlights are supplied by Hariom Enterprises. Product availability and all commercial commitments are confirmed against each enquiry.

HARIOM ENTERPRISES

02 / OUR PRODUCT RANGE

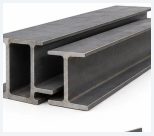

Products for the build. Materials for industry.

11 product categories. 47 distinct product names across the catalogue.

Product photographs illustrate product forms. They do not confirm stock, grade, brand, dimensions or certification. Repeated product families appear in more than one category.

HARIOM ENTERPRISES

03 / PIPE & HOLLOW-SECTION RANGE

Dimensions. Standards. Grades for enquiry.

Supplier-stated ranges for quotation enquiries. Confirm wall thickness, length, exact size and availability for each order.

Circular hollow section

15 NB–175 NB

Referenced standard: IS 1161:2014

Square hollow section

20 × 20 mm–150 × 150 mm

Referenced standard: IS 4923:2017

Rectangular hollow section

40 × 20 mm–200 × 100 mm

Referenced standard: IS 4923:2017

GRADES FOR ENQUIRY

YSt 210 / YSt 240 / YSt 310 / YSt 355

NB means nominal bore, not outside diameter. Confirm grade/standard pairing, applicable edition and mill test certificate before ordering. Not all intermediate sizes or wall thicknesses are specified; this range does not establish certification.

04 / DOMESTIC & INTERNATIONAL PROCUREMENT

Your requirement. A clear route to quotation.

We welcome domestic and international steel enquiries. Share the destination country, delivery city or port, specifications and quantity so supply feasibility and commercial requirements can be reviewed.

SPECIFICATION & QUALITY

State the applicable standard and exact grade, dimensions, tolerances, finish and required lengths. Confirm mill test certificates, traceability and inspection requirements with the quotation.

PACKING & DOCUMENTATION

Discuss bundle sizes, marking, corrosion protection and loading requirements. Specify the invoice, packing list, origin, inspection and transport documents your order requires.

COMMERCIAL & SHIPMENT TERMS

State your preferred Incoterms® 2020 rule and named place or port. Minimum quantities, currency, payment terms, freight, insurance and dispatch timing require written agreement.

This profile does not claim particular export destinations, registrations, certifications, fixed stock ranges or guaranteed shipment terms. Documentation and destination-specific requirements must be confirmed before contracting.

HARIOM ENTERPRISES

05 / START A CONVERSATION

Your material list. Our next conversation.

For a useful quotation, send the following details:

01 Product name, grade and applicable standard

02 Dimensions, thickness, length and finish

03 Quantity in pieces, kilograms or metric tonnes

04 Delivery location, required date and destination port

05 Drawings, inspection, packing and documentation needs
